Help Hospice UK develop a resource for young people with life-limiting illnesses

Hospice UK is looking for young people living with a life limiting illness to co-produce a resource to support other young people.

Do you have advice for people with similar experiences? Are there things you wish you had known, or topics you would have liked to discuss? We want to hear your experiences, and learn from your expertise, to create a supportive resource for people aged around 16-19.

The time commitment for the group will be around 3 hours of meeting time (3 x 1 hour meetings) as well as 1 hour of email or admin time.

All participants will be paid £125 for their involvement in the project, which will be running between Feb 2023 – May 2024.

If you're aged between 16-25 (approx.) and would like to join the group, please email Ruby, r.wroe@hospiceuk.org
